HOME OCCUPATIONS-SECTION C (COMPLETE IF APPLICABLE)

	YES	NO
--	-----	----

Is the home Occupation business owned and operated by a person who resides in the home where business is located?		
Will the applicant be the primary provider of the labor, work, or service provided in the home occupation business?		
A business license for the home occupation shall be obtained from and continually maintained with Milford City.		
I understand that only the owner/operator and one other employee can be employed in the conduct of a home occupation at any one time.		
Will there be inventory or other merchandise stored on the premises? If yes please explain:		
Is any of the stock in trade, inventory, or other merchandise to be stacked higher than 5ft? If so please explain:		
Is there visible evidence from the exterior of the dwelling or building indicating that it is being used for any other purpose than that of a dwelling? If yes please explain:		

HOME OCCUPATIONS-CONTINUED		YES	NO
I understand that tools, items, equipment, or activities conducted within the dwelling which are offensive, or noxious by reason of the emission of odors, smoke, gas, vibration, magnetic interference or noise is prohibited.			
The home occupation is clearly incidental and secondary to the primary use of the dwelling for residential purposes? If no explain:			
I understand that the home occupation shall not disrupt the normal residential character on the neighborhood in which the residence is located.			
Will your home occupation business generate pedestrian or vehicular traffic or parking problems in excess of what is customarily associated with the zone in which it is located?			
Are you going to have customers coming to the business? If yes, please explain:			
Will there be any vehicle repairs or maintenance conducted at the residence? If yes, please explain:			
Will there be any building alterations or additions?			
Other than the business owner's personal transportation, will there be any vehicles or equipment stored on the property?			
<p>Applicants signature indicates agreement to conduct the business in compliance with above listed uses, Milford City Zoning Ordinances and all applicable fire, plumbing, health, and electrical code specifications. Failure to comply with the above conditions can result in a suspension or revocation of your license and is a Class "B" Misdemeanor.</p>

INSPECTIONS			
All businesses licensed in Milford City must be in compliance with applicable health, building, and fire codes and regulations at all times. New businesses may be required to pass a fire and building inspection prior to issuance of a business license. Licensing clerk will notify you of all inspections.			
I UNDERSTAND that business shall not commence at this location without first obtaining an official copy of the business license, and that inspections of the Building Department, Zoning, Fire Officials and the Health Officials must first be completed and the building approved by these officials for business activities.
